

Presented by

WELCOME

The club's intention is to bring modern MG fanatics in the Northamptonshire, Bedfordshire, Buckinghamshire (including Milton Keynes) and Oxfordshire counties together to share their enthusiasm at local meetings and to be involved with the many events and activities held.

The club holds regular monthly pub meetings, both locally and around the region, have local runs and trips and attend local, national and international events throughout the year. It's a great way to meet fellow enthusiasts and make new friends.

The best part is that you can join, the club for **FREE!** There are no membership cards or newsletter subscriptions as everything is based around our regularly updated website and dedicated forums, which delivers all the latest MGnews and reviews from your local area online.

Southmids Sportsters is run for the members, by the members, on an entirely voluntary basis.

Although an independent group, **Southmids Sportsters** are officially affiliated to the MG Car Club's MGF Register and ZR-ZS-ZT Register, and the MG Owners' Club which caters for all MG models. Our relationship with these international clubs brings a wide range of options such as Insurance deals, technical assistance and camaraderie like no other marque. Other MG models, modern and classic, and their cousins from the MG/Rover stable are most welcome to join in. In fact, you don't even have to own one of these models to join us... A keen interest is enough!

To join the **Southmids Sportsters**, simply visit our website, click on the 'Join us' link and follow the instructions, or follow the link to the forums and sign up there... It's that simple!
